

Service Six provides the TARGET Project, funded by the Big Lottery for three years, which commenced in April 2017. The project aims to challenge the many and increasing dangers to children and young people online, supporting children and young people aged 5-19 year olds in Northamptonshire and Leicestershire. Project beneficiaries will increase their online protective behaviours, improve their wellbeing and increase their transferable knowledge and skills. Project activities include youth led educational information workshops, a youth designed free online app, development of TARGET Champions promoting online protective behaviours throughout the counties and much more.

### **The TARGET Poster Competition**

The TARGET Project is offering the opportunity for children and young people to design a poster which will be used as promotion for the TARGET Project. The winning designs will also be printed on to a t-shirt for the staff to wear.

Possible suggestions for poster designs are:

- Online Ollie
- Stranger danger in the online world
- Keeping personal information safe
- Gaming safely
- Reporting online dangers
- Top tips for staying safe

More information on TARGET can be found by visiting our website at [www.servicesix.co.uk](http://www.servicesix.co.uk) or by downloading our FREE app 'TARGET Online Ollie' in the App Store or Google Play.
